Kaye,
I sure am going to miss your
smiling face everyday, but I'm sure
I'll see you through out the summer. We're
planning on having some canoe races
this summer - so muscle up your arms.

The Yearbook Staff Presents The

1973 LEXICON

of

Lexington Senior High School

Lexington, N. C.

Volume 35

This year's **Lexicon** is focused on change and the contrasts necessary for success. As the cover proclaims, we are orange and we are blue. The colors merge and make one background for the reflection of our experiences here. We, the inhabitants, are the reflection and the embodiment of contrasts. We are responsible for ourselves; and through this year's conglomeration of differing roles and responsive actions, we have come that much closer to the ultimate goal of acceptance for everyone and everything.

This year the **Lexicon** staff has tried to capture and construct our highest moments of ecstasy as we strive for a new and better understanding of what we are and how we are all the same—the contrast of reality.

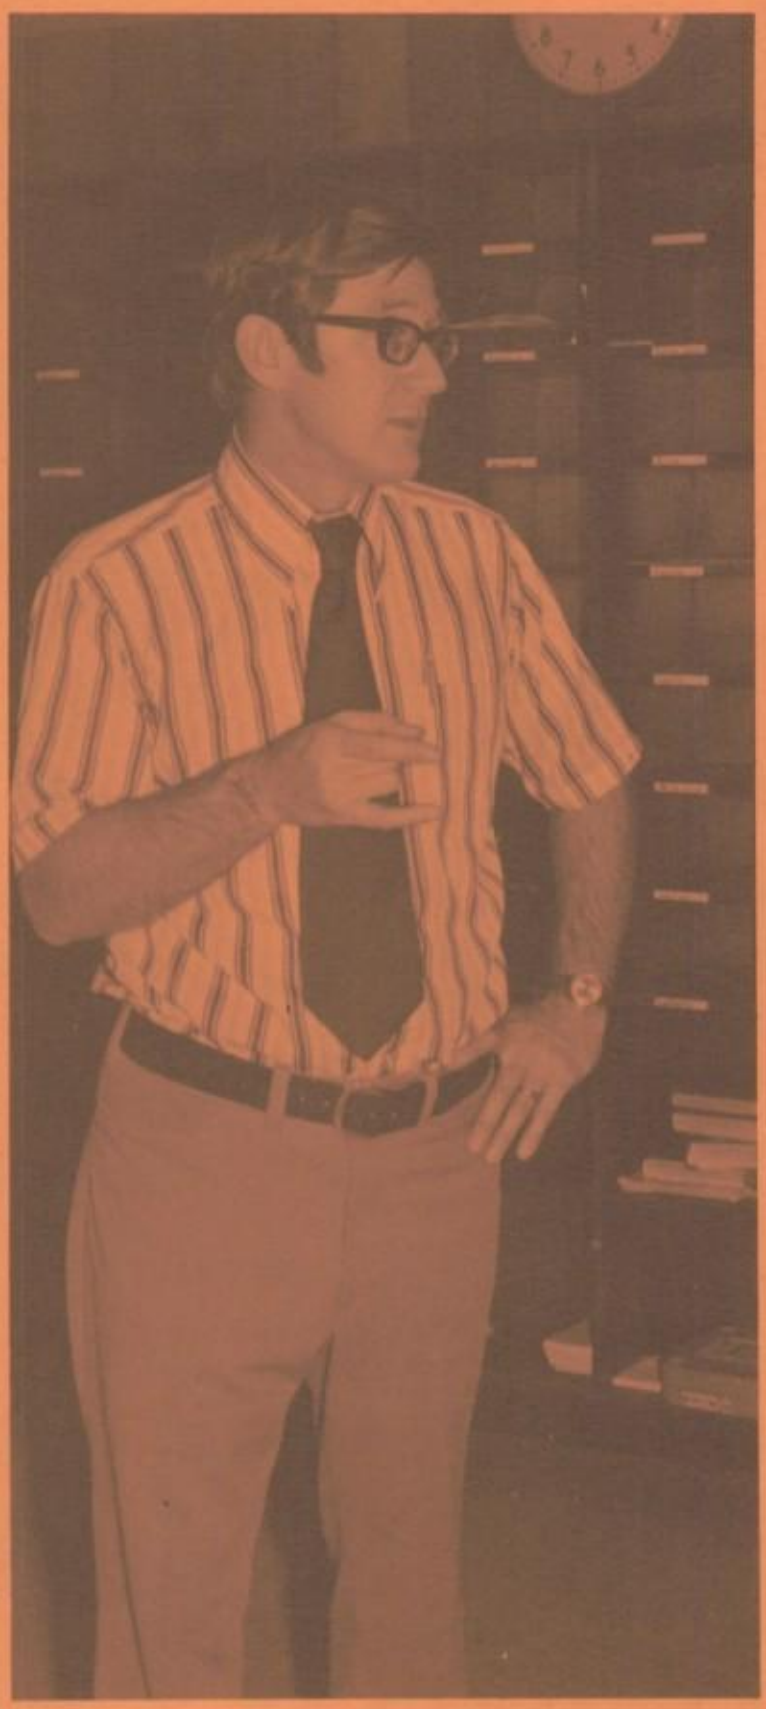
DEDICATION

TO A GREAT GUY



Because we know that he likes us—he smiles, he laughs, he "jives";
Because we know that he cares—he has a heart as big as his wardrobe;
Because we know that he is a leader—he leads our school with the same dexterity with which he handles his Porsche;
Because we know him—we dedicate the 1973 **Lexicon** to our principal—Mr. Clinton LeGette.

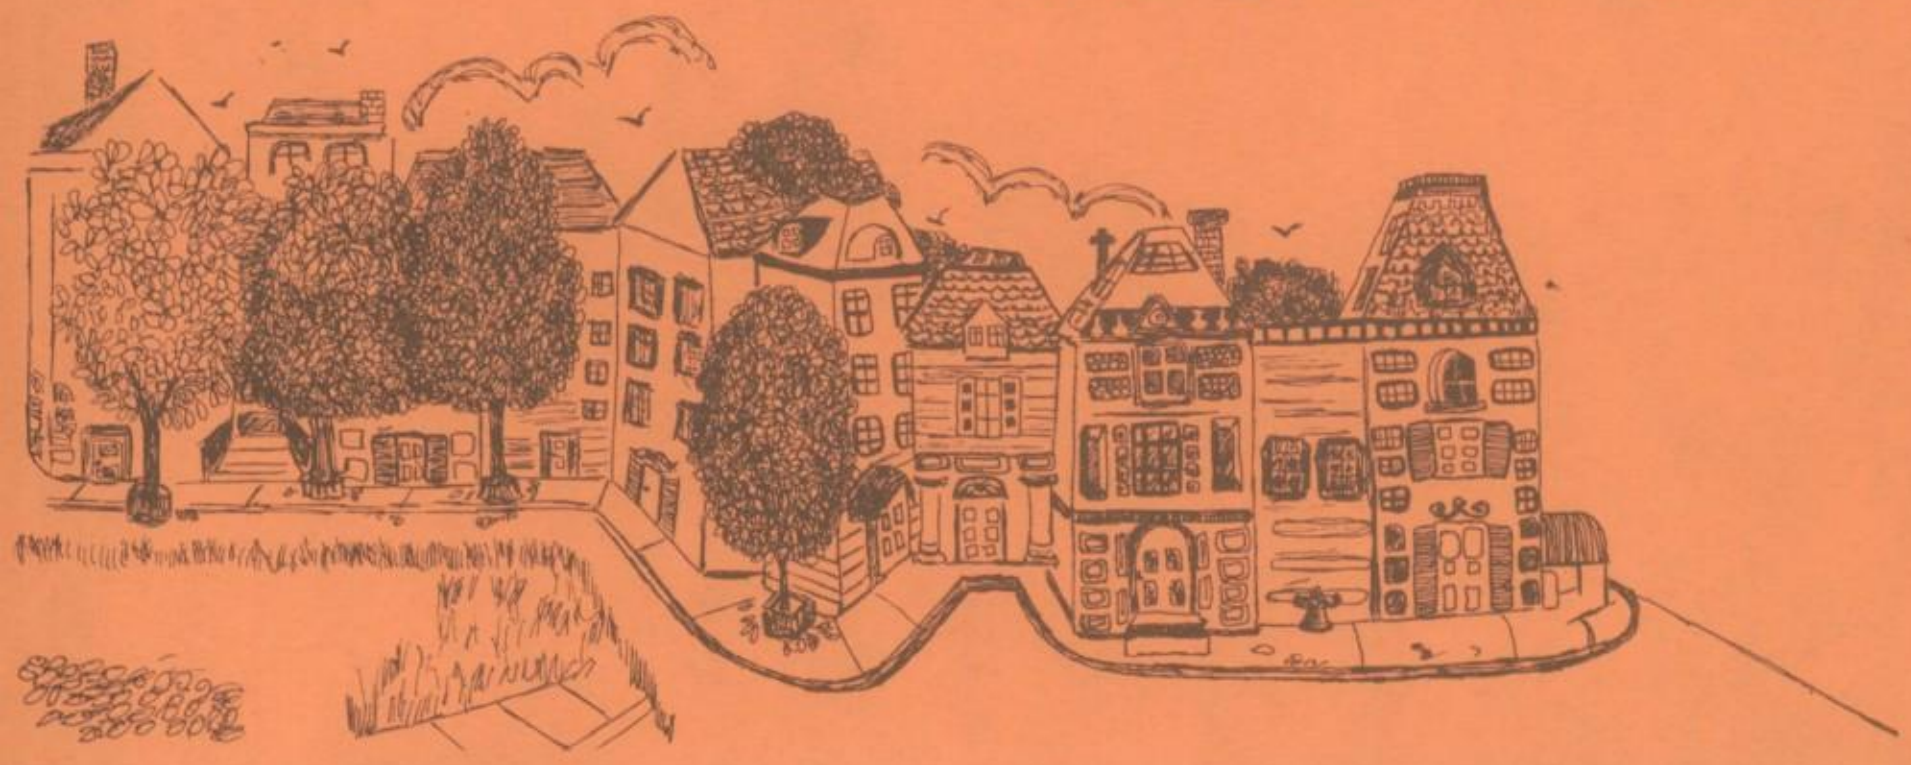
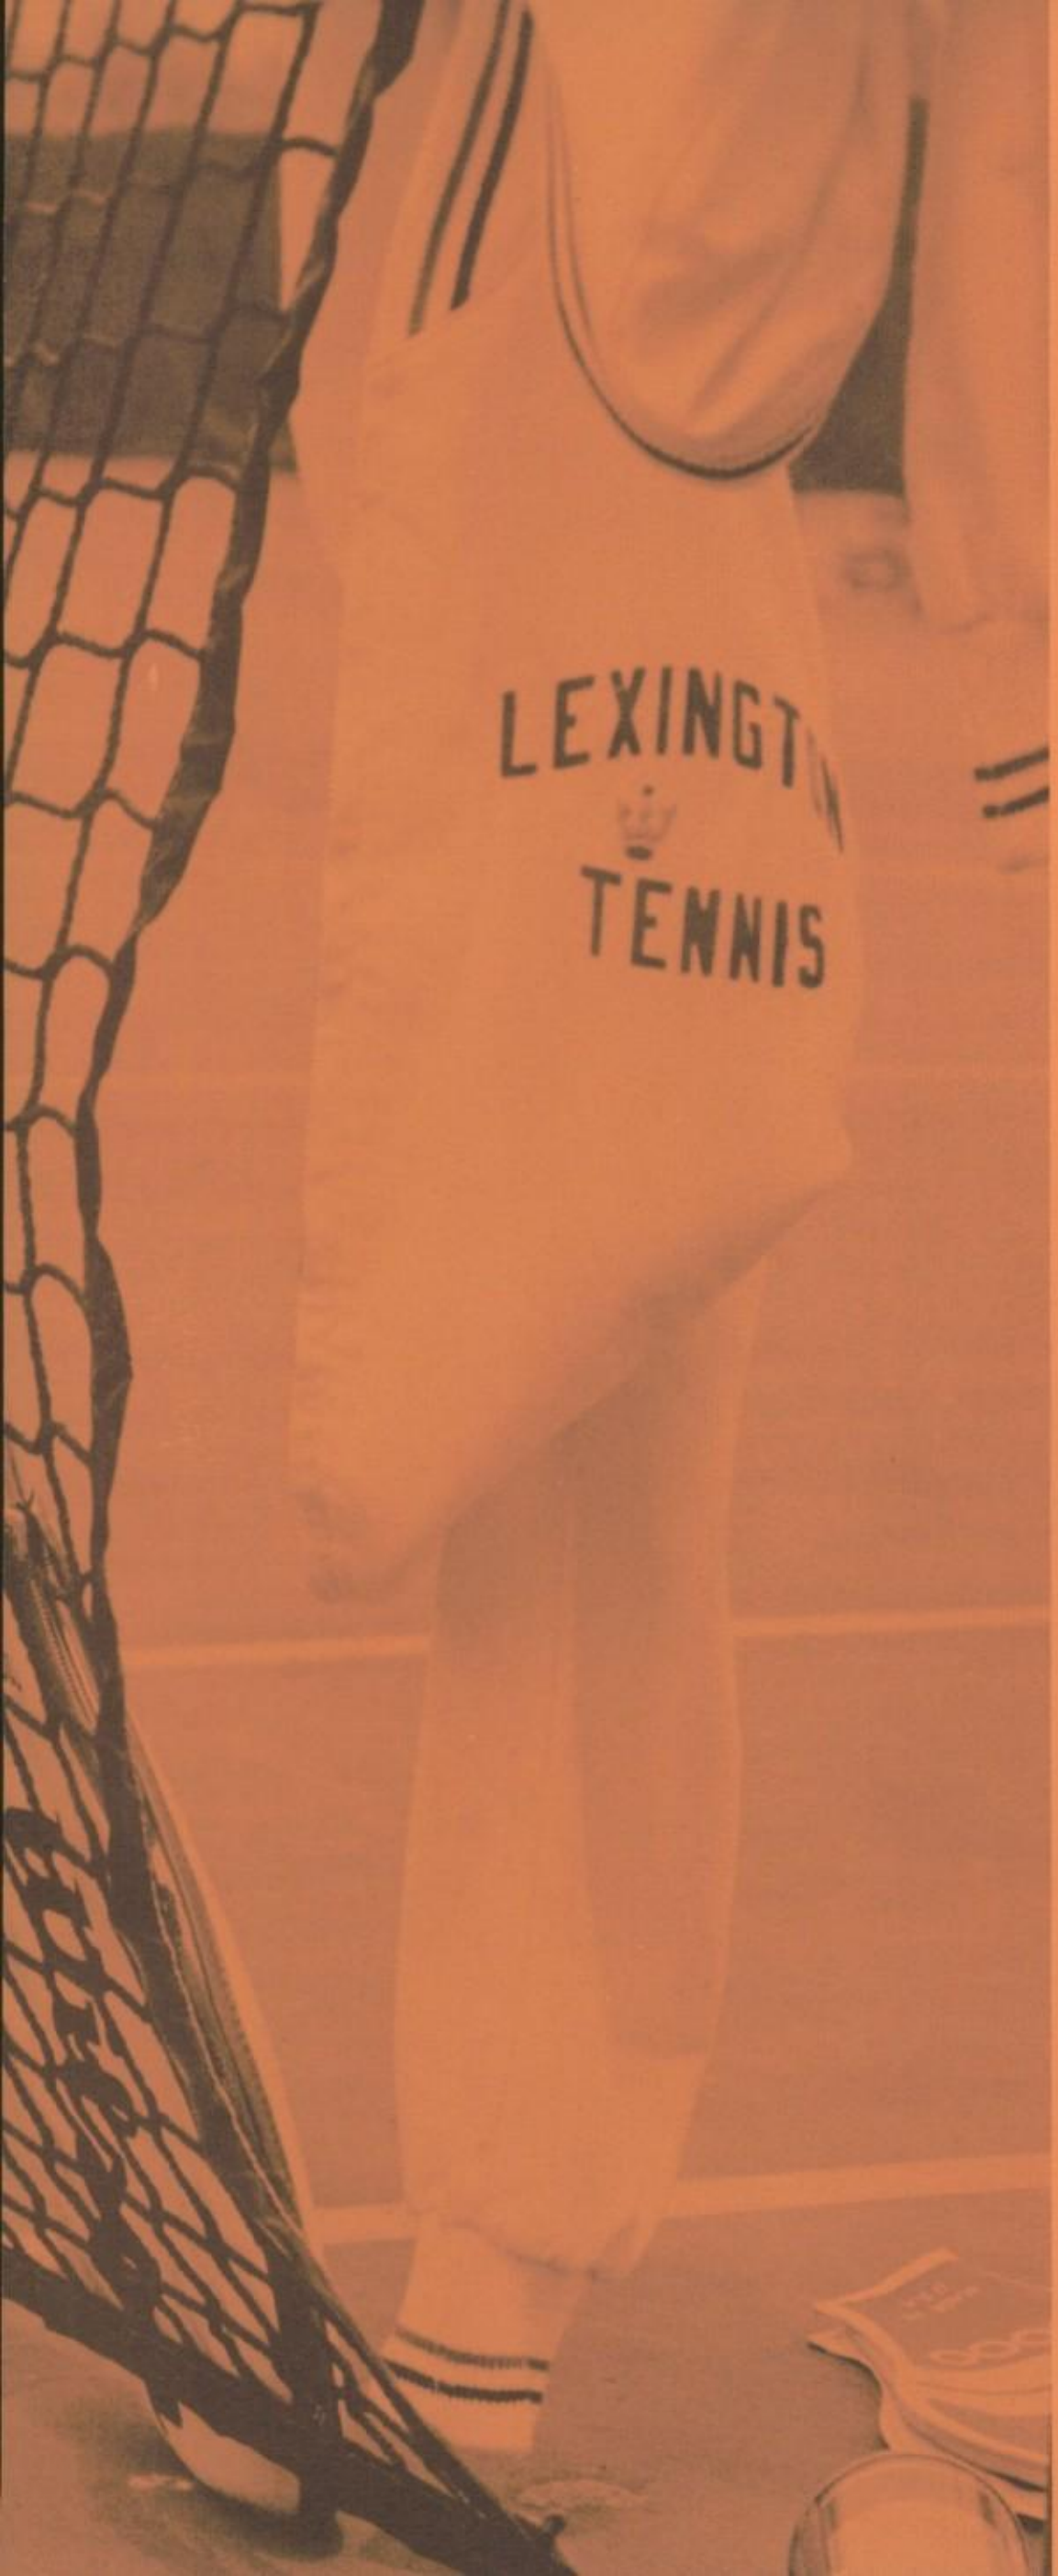
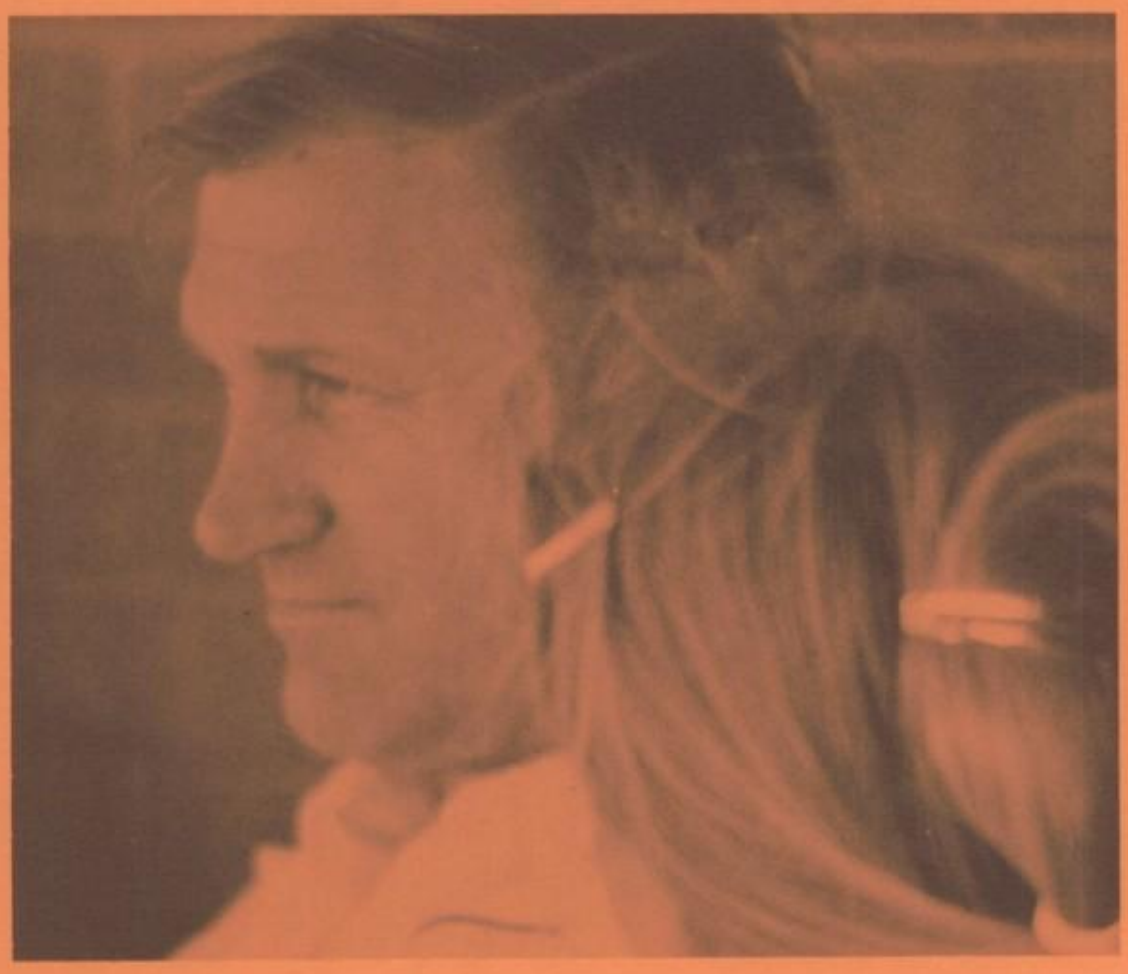
THE GAY NINETIES





LEXINGT
TENNIS



Lexington Senior High is again expected to produce a highly formidable tennis team. In the past Senior High has repeatedly outshined other schools under the coaching of Frank King. The team win streak has now reached 71 straight matches, while their 7 year record is 91 wins and 1 loss. During this span the team has played the best competition in North Carolina. They have been South Piedmont Conference champs the last 5 years, as well as W.N.C.H.S.A.A. and State champions the last 4 years. The high point of Lexington tennis was being invited and playing in the National City Tournament held at the DeKalb Tennis Center in Atlanta, Georgia in 1971 and 1972.

Summer Activities

The summer of '72 appeared to be the typical summer vacation: kids headed for jobs, for beaches, for fun and games. Not so! The summer of '72 was a unique experience for some pretty unique people—the students of Lexington Senior High. Observe—

FROZEN JUICES
FROZEN FOODS
POT PIES

UNC

Watermelons and cookie races.
Lying on the sidewalk at five
in the morning waiting for the
sun to come up–
    But praying that it won't.

Roller coaster rides in buses.
Rubdowns.
"Big Dad" merrily singing, "Shake
it up."–
    Knowing he **loves** every
    minute of it.

Jumping jacks at three a.m.
A place where you learn to take
it when it's dished out.
But most of all–
    a place where you
    learn to be a man.

KIDDIE KAMP

They rang out the old, and rang in the new,
As the school got a face-lift in '72.

Lockers were painted, and the walls were
done, too.
As the industrious workmen made ready for
you.

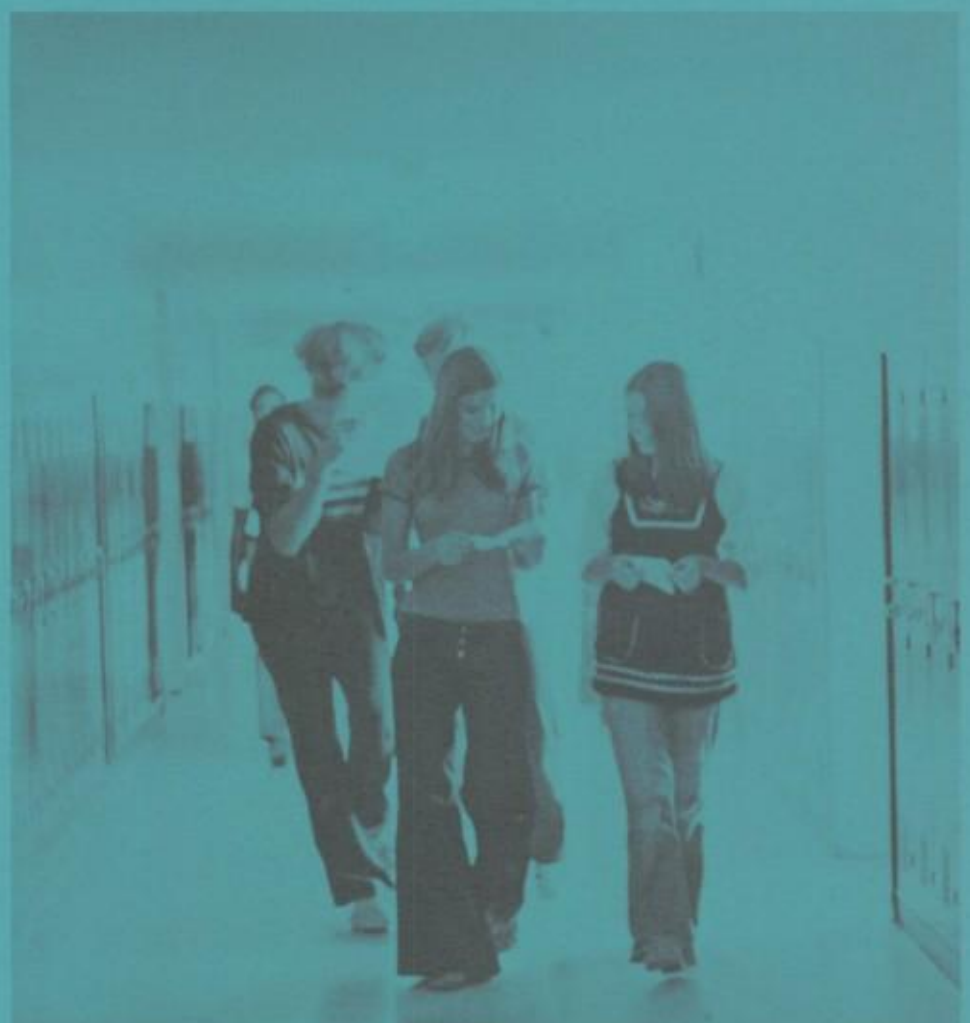
All systems were go, no snags in the way,
The school made its deadline for opening
day.

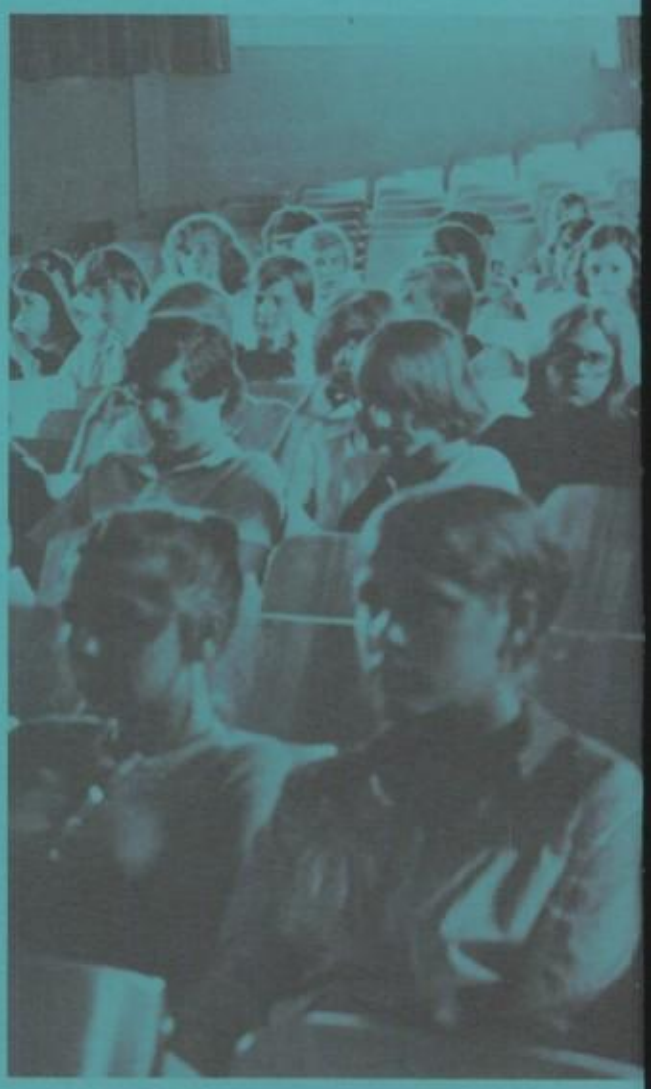
The "On-to-Bristol Sale"

The LSHS Band began making preparations for the 1972-73 school year with a summer auction sale. The money was raised to pay for the trip to the Southeastern Marching Band Festival in Bristol, Tennessee.

ORIENTATION

Befuddled sophomores losing their way . . . embarrassment of experienced seniors who have lost their way, too . . . Mr. Middleton's fatherly advice about hand-holding . . . one guy "filing" down the hall in his new double-knits followed by a guy "filing" in his most faded blue jeans . . . a carnival of clashing, colorful, lockers . . . a computer schedule stashed in a math book . . . quick briefings by all the teachers . . . parking lot assigments . . . forgotten lock combinations . . . seniors who can't believe this will be their last year at LSHS . . . a memorable experience.





the beginning for some . . .

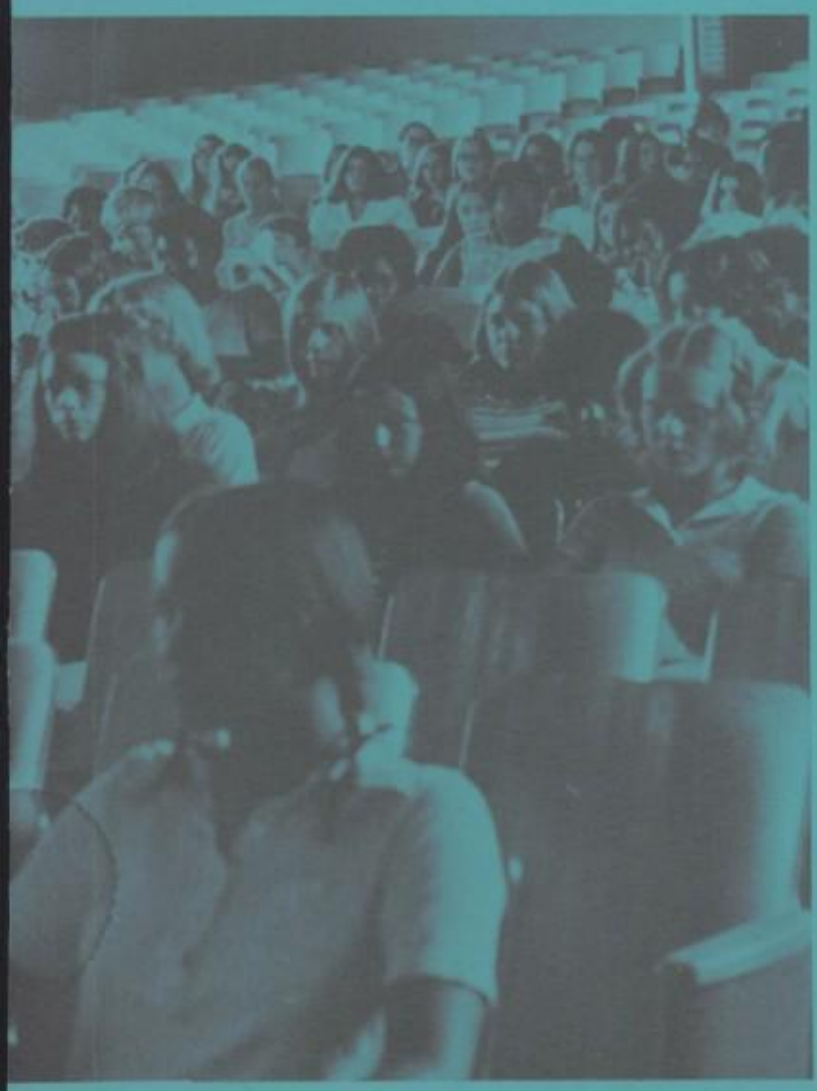
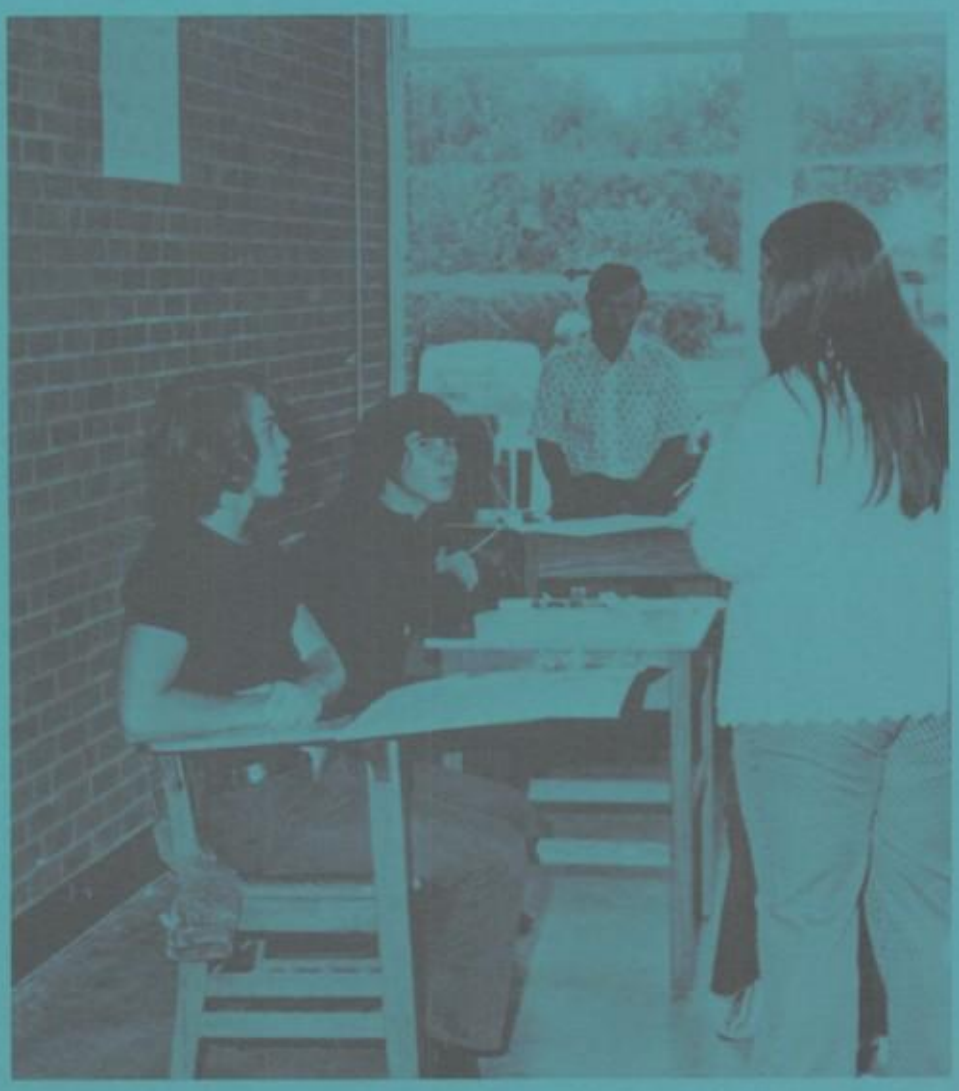
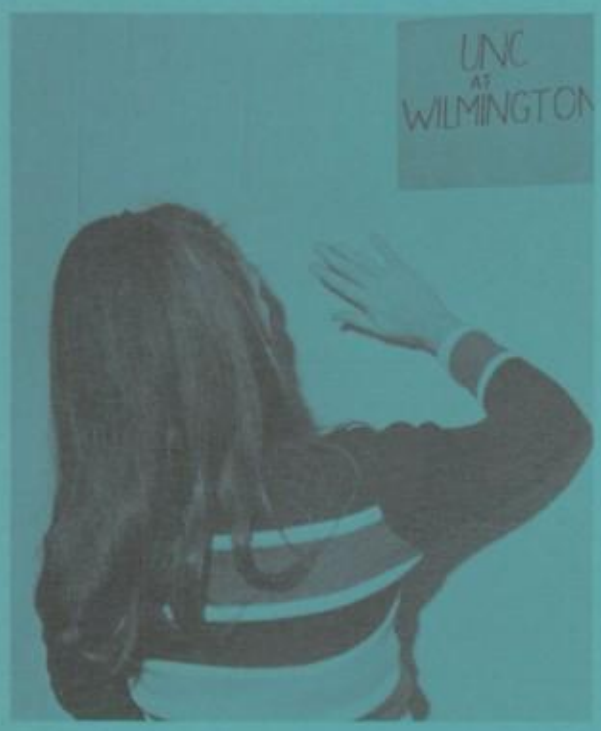
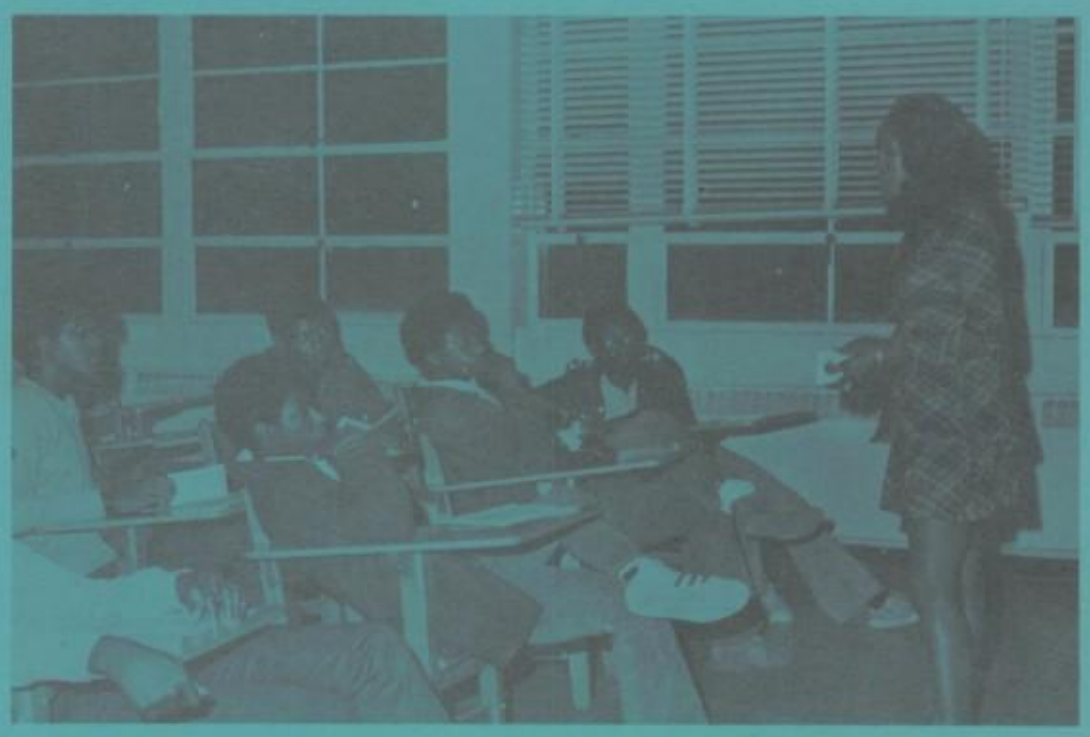
for others





Parents' Day is an effort to "shed a little light" for parents on what goes on in our school today. This year, however, the number of "enlightened parents" was somewhat small. Despite this shade of failure, the project "shone brilliantly."





On college night students get the lowdown on colleges, universities, and technical institutes. This information gives students an inside look at schools and aids them in selecting a suitable and enjoyable school.

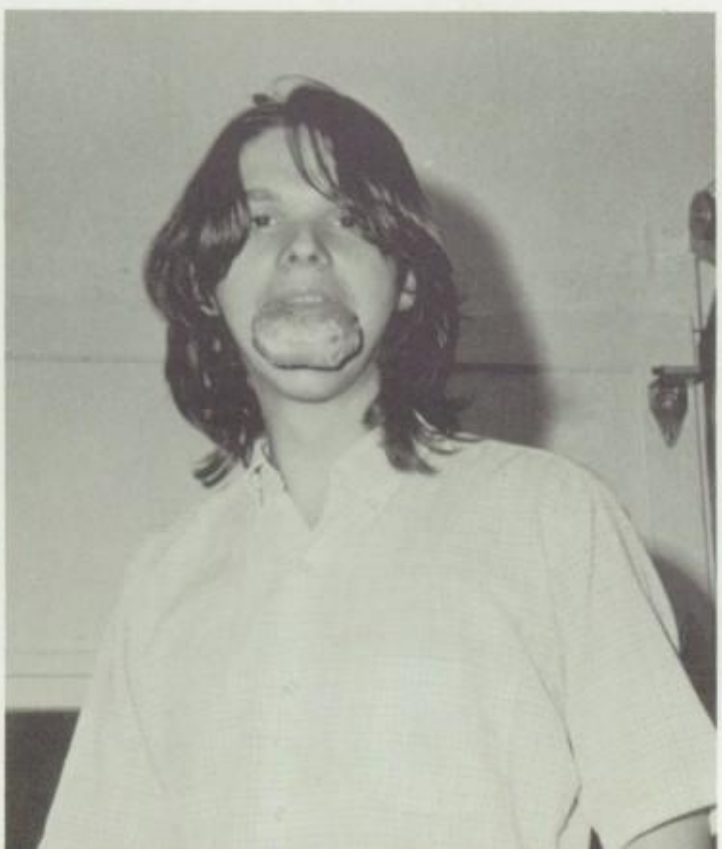
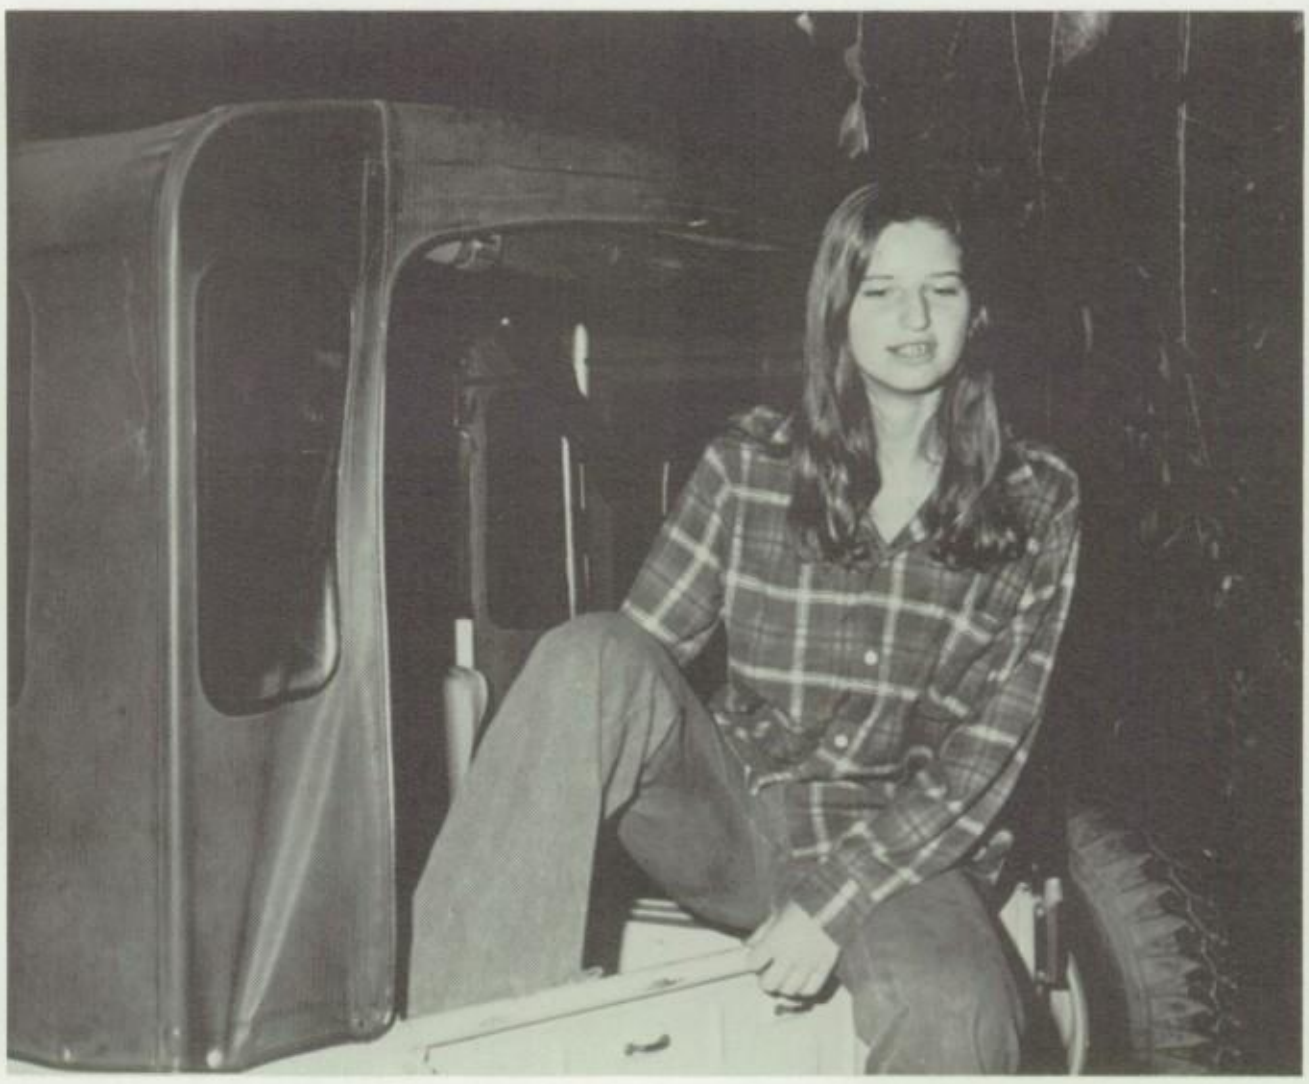
It's easy to understand the people in the gym; they're just having a good time. And everyone likes a cherry sucker, but who are all the other suckers? Maybe they're just having a good time too.

WORK, WORK, WORK, but at least some people find other outlets for excess energy. Some prefer to eat their time away; while others like the part of the clown. Who is to say which is better?



A rousing bit of pep and Leigh is ready for a ride; but, like Groucho's wheel and ball, where she lands, no one knows.



QUEEN BETSY IS CROWNED TO END THE WEEK'S FESTIVITIES!

A joyous queen and her no less attractive maid of honor receive praise under a shield of ivy.

No one knows what a side glance bestows.

The 1972-73 Jackets were a team plagued with hard luck. Fumbles, close calls, and injuries cost the Jackets several important games. With just a few breaks this year's record could have been 9-1 instead of 5-5.

However, despite a seemingly mediocre record, the Yellow Jackets played exciting football. They beat Asheboro 17-14 on a 32-yard field goal by Rusty Coggins. The team slipped by Concord 6-0 on a pass to Tommy Eller. The Jackets came back and scored three touchdowns in the last quarter to hammer North Davidson 20-6. Going into the 4th quarter they were within a touchdown of winning all games but one. Perhaps 1972 will not be remembered as a banner year for the Jackets, but it will be remembered as an exciting one.

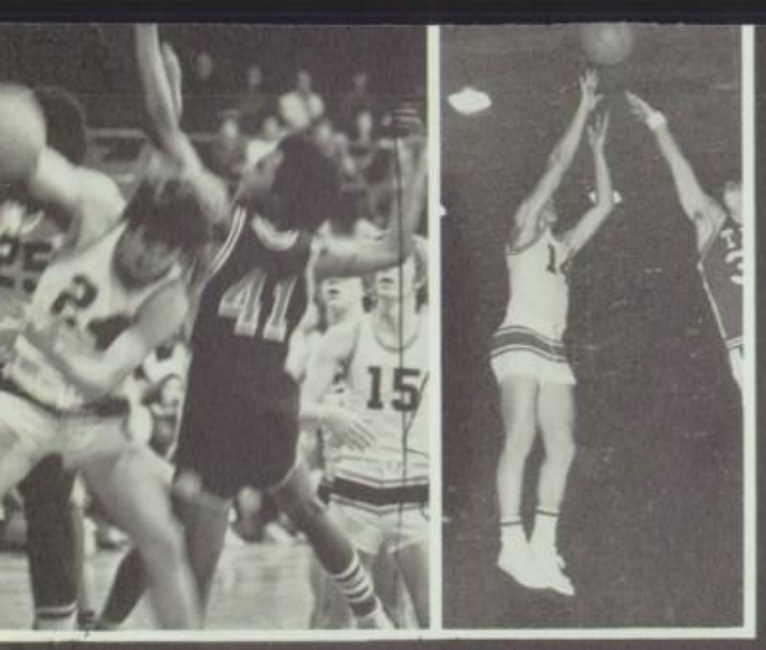
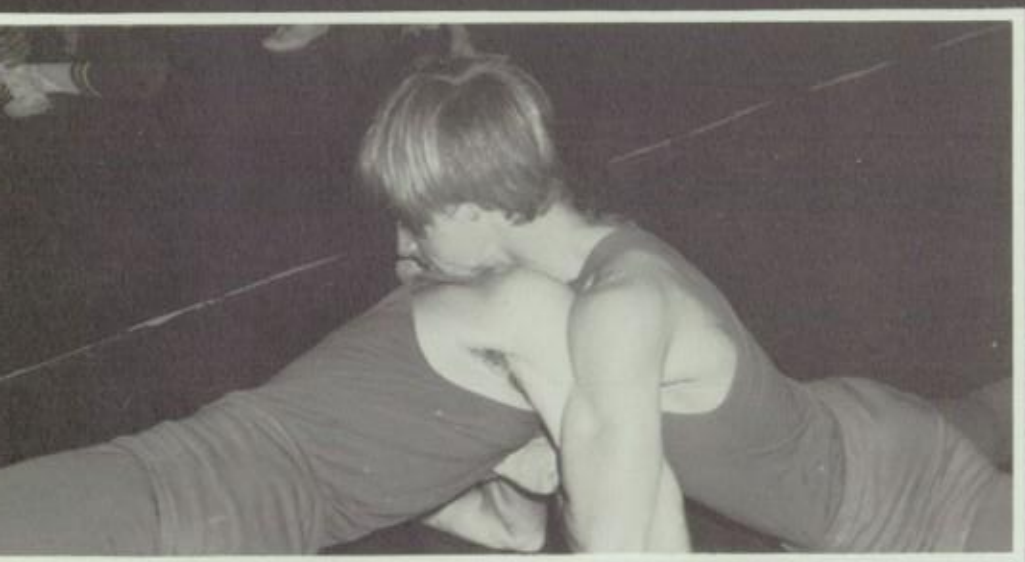
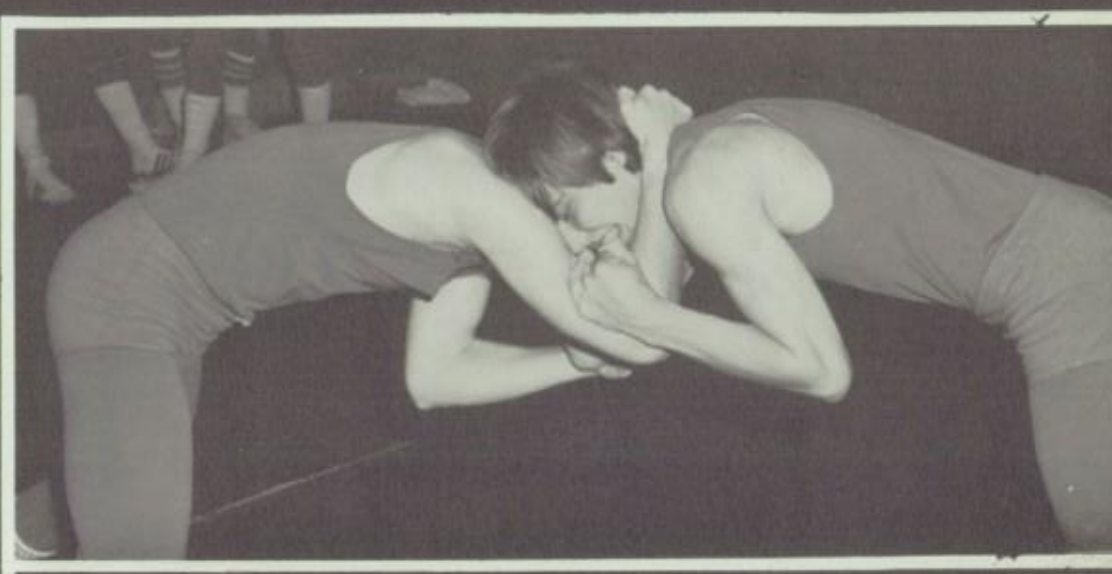
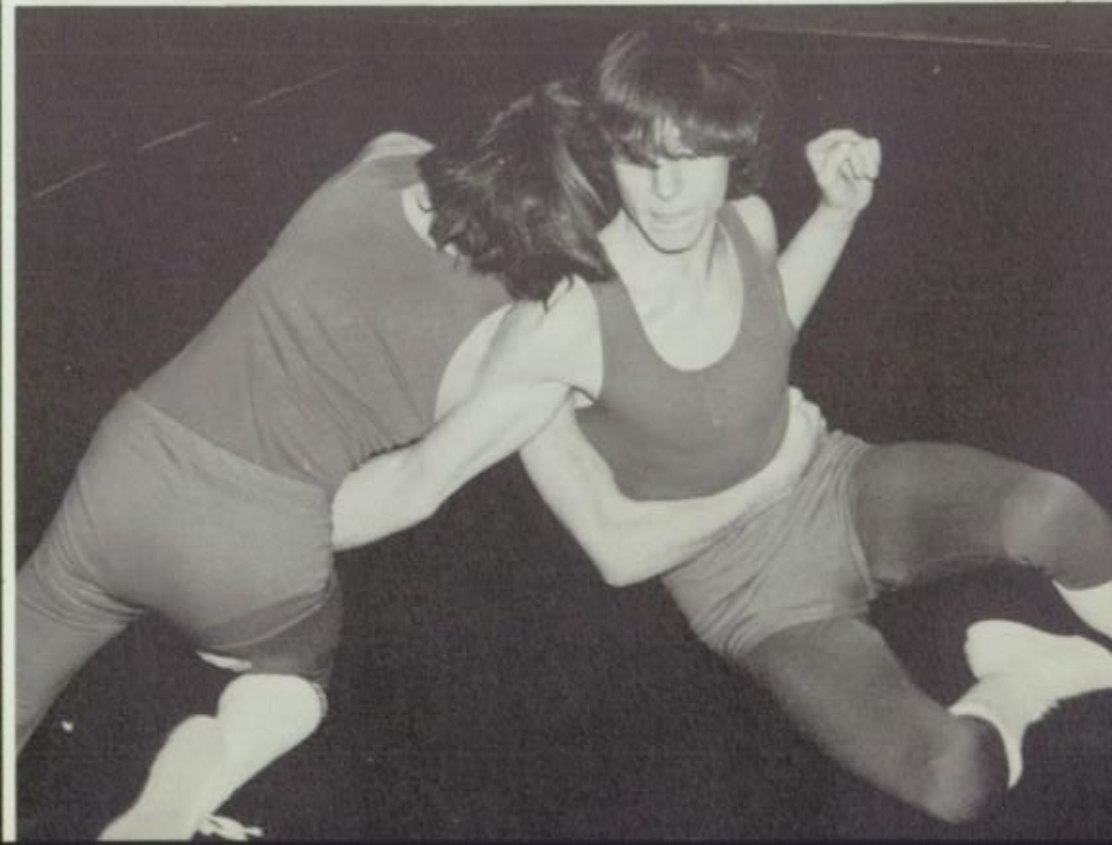
The 1972-1973 basketball season was somewhat of a disappointing year for the Jackets. They were unable to win the big ones because of a lack of height, their tallest player being only 6'2". Because of this lack of height, the high points in the year for the Jackets were brought about not by overpowering the opposition but through the hustle and desire which the team displayed during the season. And there were some good moments for the Jackets. They brought home a 2nd place trophy from the High Point Christmas Tournament after defeating highly regarded High Point Central 64-54. They defeated 3rd place Asheboro 76-66 in a conference game, In other conference games they defeated Concord twice, Kannapolis, and South Rowan. Perhaps this year's season was not a success in terms of wins and losses (7-14), but the Jackets did show a great deal of spirit and character.





This year's wrestling team, somewhat stymied by a lack of depth and experience, produced 3 wins, 5 losses, and 2 ties. However, they did have what could be called a successful season—successful not in terms of a good record but in terms of experience gained and spirit displayed. The wrestlers worked long and hard all season and produced some fine victories. They defeated Davie County, Kannapolis, and Statesville and tied North Davidson and Salisbury. They also wrestled well in tournaments at Thomasville and Salisbury. Many of these wrestlers will return next year and hopefully provide the nucleus for a winning team.





ASSEMBLIES

Although 1972-73 was not a year full of assemblies, we were endowed with a few. Top right: Kay Lohr showed her slides of her trip to France. Below: New members were inducted into the National Honor Society. Bottom Left: Jan Wilson orientated the new sophomores. Bottom Right: Len Brinkley showed her slides of her trip to Columbia.

The class of '73 was endowed with many blessings, the greatest one of all being our German foreign exchange student, Fred Schmid. Fred stayed in the home of the John Harmons, but they "shared" him with the entire community. He was a guest speaker for the Kiwanis Club, Charity League, Lions Club, Rotary Club and many other organizations. Fred, an avid sports fan, showed his friends his skiing expertise at Sugar Mountain (what he showed them in football was a different story). When Fred returns to his home town, Laichingen, he plans to become a doctor. The many friends he made here wish the best of luck for him in the future.

Kay Lohr and Len Brinkley were Lexington's American Field Service summer exchange students for 1972. Len spent ten weeks with the family of Dr. Carlos Célis C. in Cúcuta, Columbia. While there she attended an all-girl Catholic school, visited many interesting cities, and enjoyed making many new friends. Kay enjoyed ten weeks with the family of Carpentier Edgard in Pont d'Ardres, France. During her stay she helped in the family's café, visited other countries, enjoyed making new friends, and became quite familiar with the French way of life. Both girls profited greatly from their experiences. Certainly it was a summer both will remember for the rest of their lives.

HI I.Q. BOWL TEAM

After many tiring hours of elimination, the experts (Rhodes, Welborn, Griffith, and Helvey) decided on the L.S.H.S.'s HI I.Q. Bowl Team of 1973. The team consisted of Janet Thomas—Captain, Mac Parrott, Donnie Moorefield, Kevin Doughty, and David Lohr. Tom Raper was named substitute.

The first round of competition, which limited a field of forty teams to eight, was held on February 10. Questions were asked in math, English, science, social studies, and the humanities. Below, the final elimination is in order at left, and a practice session is underway at right.

Kaye,

The years have been filled with many good times and sad times. We don't remember the bad times. Kaye, I guess I never realized what a friend you were till you had your wreck. I want to thank you for all your unheeded advice about Arthur. I wish I hadn't been so foolish and blind. You went through some of the same. I'm very happy for you and Frank I hope things work out for you two.

Kaye,
It's been a good year; in fact a good 8 years in High School. It's hard to believe we'll be gone soon. But hopefully we'll see each other some. I think with Frank & Jack being good friends, we'll see each other pretty much. I hope so. I could list things we've done together, and the fun we've had, but it would take too long and I think we'll remember them. So I wish you good luck and bunches of happiness.
Much love,
Staley

The end of a book–

The end of a year–

The beginning of new Contrasts.

Kaye, Kay?, Kaye?
I can spell!!
It's really been a
fantastic Senior year.
As much as I hate
school, I'm kind of
sorry to see this
year end. We've had
to do some work, but
we've also been able
to play a lot too. I'm
glad you and I were
able to be members
of the most polite,
considerate homeroom
in Senior High (Ha!) I
would say I'll see
you next year, but
then I realize there
is no more "next year"
in school for us. (one
see me in Lynchburg.
Suzanne

Kaye,
I'm really sorry in a way to see
this year coming to an end. "73"
has some great Seniors and it
just won't seem right without
all of you. I want to wish you
all of the best of luck in
whatever you do.
Always a friend,
Martha
Wilson

Kaye,
It's been a great
year! I can't believe
it's almost over!!!
It's gone fast. It has really been
a pleasure to know you.
Good luck
to you and Frank
now & in the
future.
Friends,
Cindy
Myers

Kaye,
I guess all good things
come to an end and our
group at school must too. It's
really been great this year even
if we have had to put
up with a lot of school!
You and Frank make
it good. Come see all
of us at WFU next
year. Love,
Robin Team

Kaye,
I have
enjoyed being in your
homeroom this year although
I wasn't there much.
I appreciate being "kept up"
on all the senior news.
If you ever come "south"
be sure to come see
me at Coker. Best of luck
to you and Frank.
Love,
Cathy Horton

Kaye,

Kaye,
We really enjoyed being in your classes this year. You've really given me a great impression of the senior class. I'll never forget the year of '72-'73.

Hope to see you this summer,
Gayle Hedrick

Kaye (my fwend?)
Well we're not seniors anymore (almost). I can't wait. We've only had one class together this year & I wish we could've had more. I know ya some more. I know ya better this year & we made a great master of three games. Have some of them were really wild, even if they. He will just let them go. Hope to see ya this summer & to go to the lake & to go to the lake a lot. Have fun.

Luv ya
Betsy Ph 11 pd

Kaye,
Well the year is almost over and I'm sure glad - about it. We've survived algebra, French, Home Ec. Times in P.E. (I'll never forget the Miss Jetmore & Pyramids) how were we supposed to know anybody in there would be so good & then have to walk. Well- Have a great summer & See you at school next year.

Love,
Kathy

Kaye,
Don't forget our great Bus. math class. (Its been great talking to ya a period everyday. Let me know when the bells are going to ring for you & Frank. Hee! Have fun this summer & come to the lake alot. O.k.?
Luv,
Wanda Smith

Kaye,
Well, this school year has really been fun. I liked everything but Home Ec. In a way I feel sorry for Mrs. Leonard because ~~[illegible]~~ one really ~~[illegible]~~ listened to her. English has been unusual with all the crazy people in there.
Best of Luck to you and Frank.
Stay sweet,
Leigh Leonard

KAYE,
THIS YEAR
IS ALMOST OVER
AND IT IS ALMOST
SAD. BUT I WILL SEE
YOU NEXT YEAR AT DCCC.
LUNCH THIS YEAR HAS BEEN
SOMETHING ELSE. WE'VE PROBABLY
SET A NEW WORLD'S RECORD ON
RUNNING TO THE PARKING LOT WITH
INTO THE MONK. BETWEEN YOUR OLD CAR +
MINE I'm SURPRISED WE MADE IT SOMETIME.
BE GOOD THIS SUMMER + I HOPE TO SEE YOU ALOT!

LIBBI LOONS

Kaye,
It's hard to believe that it's our turn to graduate after going through it last year with Susy and Frank. I'm so happy that you and Frank are still together because y'all make such a good couple. I hope that wedding bells will ring soon (and then maybe Susy will come back, since she always promised she would.) Have fun this summer and be careful not to tip the canoe!

P.S. It was fun working at Ward's with you during Christmas.

Love
Lee

Thru crap, allergies, terrible Summer

Howdy Kaye
I just wish I could
have known you better
Good Luck and Keep on Pushin
Ricky Rogers

Hi Kaye,
Good luck with Frank.
He seems to care about
you so very much. It shows
you care for him just as much.
Have a successful life.
Gloria Elaine

Dear Kaye,

Our high school years have come to a close. Although it's exciting it's also very sad because everyone will be splitting up. Soon we'll be facing college or marriage or whatever. I hope your future years will be great and I'm sure they will. (with FRIENDS!!) Good luck always and stay the nice, funny, crazy girl you are.

Luv,
Pam Bird

Dear Kaye,

First of all I want to thank you for asking me to go with you to the beach. I sure hope that mother won't change her mind at the last minute.

Two weeks to graduation, can you believe it. We're finally going to graduate. Well next year it will be college for me, and weddin' bells for you? I sure hope so. You and Frank make a great couple. Be good this summer and especially be careful. I hope to see you too! See ya at the beach.

Love,
Debbie Osborne

Dear Kaye,

Well it looks like we're finally going to make it to graduation.

Kaye
Hi! Well, I cannot believe the time is here for us to graduate. I am so happy but, then, so sad. I'll never forget our good old Middle School days especially when you flew down to the beach. That was so much fun. Kaye, I really wish you the best of luck and happiness always. Please come see me in Raleigh next year! Be a great friend from one who thinks of you a lot.

Love
Jane

Kaye,

I love you with a deep passion! (if Frank reads this I'm dead!)
Seriously, I would like to take time to tell you
my true feelings. To me Kaye, you are a fantastic and beautiful girl.
Frank sure caught a good one! You are one of my good friends
and I hope to keep in touch from now and then. Tell Frank I'll
Take Good Care of You at the Beach Ha Ha.

Love ya
Jack

Kaye,

This year sure has been a gas.
The only stumblin block being
Mrs. Helvey. Imo. But now
this portion of life is over and
many new ones begin. Life is
not easy and I'm glad it's not -
it would be so boring. I've
enjoyed knowing you and I
hope to see you in the future
sometime. But as anyone goes
their seperate ways it good
to know that memories live
forever in the minds of friends.
Till I see you later,

Larry Anderson

Kaye,

My dream, that's all.
We sure had fun in the old
days. James. Well I hope
Frank and you make it.
Maybe we'll see each other
in the summer. Have fun
at the beach and be good.

Larry

Kayl.

Well can you believe we've made it? We have had ~~some~~ some times haven't we? I will be seeing you a lot next year at DCCC. I'm glad I'm going out there with you and Becky. This year has been really great. It has flown by so fast. The ball games in the rain, running through the ~~ball~~ field ~~hoping~~ hoping that you wouldn't slip & fall. Talking in Mrs. Leonard's class while she is trying to tell us about sex HA! Double dating with you & Frank was a lot of fun, even if the chances for you & Richard getting into a argument was so great. You was one person that could tell him off really good. I am expecting to see you a lot this summer, Frink too. HA! HA! When you don't have anything to do call or come over. ~~Enjoy~~ Well I must close for now & watch this film on Sex, I need it HA! HA! Be good & take care of that man of yours.

Class of 13

Lisa Brown

Kaye,

I don't know whether I am glad that it is finally over. I bet there are some people I won't be able to see this year! Especially in Zelia's class! I bet I've been a howl. I didn't think we would ever get our discuss finished. I bet you did too! I'm glad it wasn't there it would! I bet I have been half of all our group in there that we have torn apart! maybe Remember the Certain Person that will learn. Well, I hope that some day she will learn. Well, we all go the summer before Stay Sweet!!

Love, Donna Samuels

Kaye,
Well, can you believe this year's finally over. Just think, we don't have to go back to LSHS anymore & Mrs. Leonard. Home ec. has been a lot of fun with all the talking, laughing, and whispering that has gone on at our table. I hope to see you this summer and next year. We should live close to each other. Have DCCC. Good luck in the future with Frank. Have fun this summer. Hope to see you but I know that probably be with you all the time,
is.

Friends,
Becky Bunting

Kaye,
I can't believe this year is coming to a close. Next year you'll be out at DCCC and I'll be here at LSHS. I wish you all the luck in everything that you do. You are a sweet, cute girl with a happy disposition, and a great personality. I know you'll succeed in all of desires. Take care of Frank and be good! I'll be thinking of you and I hope you'll be thinking of me.

Friends,
Ann Grantham

Kaye,
I can't believe the year has finally ended. So many things have happened this year, some bad, but mostly good and one good was being in your bookkeeping class. I hope your future is as bright as mine.

Good Luck
Rita Dear

P.S.
You'll get an invitation to the wedding. Bring Frank too.
